

“Planet 9 x Clutch City Delta” Design Proposal

-Please verify that the itemized list below is correct and that all things discussed are labeled and that all brand/company names are spelled correctly. You will be allowed up to three changes per individual design item (ex: changing the colors for item 1 to a completely different scheme is a change, changing the initial idea of the logo is a change, etc.) Each additional change will be \$10 extra added onto your final bill.

-Once you have read over and everything is correct, please sign your name and initial at the bottom of the sheet. Your signature states that what is in this agreement is what you shall receive and that any future add-ons or changes will be added to your final bill. Once you have signed off and are in agreement with what is listed below I will send you an official quote. If you have any changes or corrections, please email me the corrections list to: project8photos@gmail.com

1. Design “Planet 9” Logo
 - Create logo that represents Saturn with “Planet 9” as the rings of the planet.
 - Colors to be bright and colorful to stand out (possibly use colors from Saturn itself)
2. Update “Clutch City Moving Company” to new branch “Clutch City Delta” logo
 - Create new logo with same idea as “CCMC” – Change name to “Clutch City Delta”
 - Keep Same color scheme as “CCMC”
3. Design (1) Larger “outer” box – Single Design for single Box
 - Create box design with both “Planet 9 x CCD” logos on the front as a collab box
 - Front/ Lid to show flavor color “Dirty Sprite” with purple Galaxy Splash coming out of a cup.
4. Create Medium Inner Box Design – Single Design for 5 Boxes (Same design on all 5)
 - Box to be galaxy themed with Flavor on front of box in the middle
 - Planet 9 to be on one side and CCD on the opposite side
5. Create Small Cartridge boxes – Single Design for 10 Boxes (Same design for all 10 boxes)
 - Cart box to be black with collab Planet 9 x CCD logo on one skinny side
 - Social media handle to be on opposite skinny side
 - Collab stacked logos to be on front of box
 - Information to be on back of box

6. Create Stickers for Cartridge Boxes – Single Design

- Galaxy themed sticker background
- “Dirty Sprite” flavor in middle of sticker
- QR Code are to be elongated

7. Design Carts

- One side of cart to have “Planet 9” and opposite side to have “CCD” Text
- Bottom portion of cart to have “Dirty Sprite” Flavor Text
